Puppy Health Care Package

Congratulations on the addition of a new family member! Along with all the love and kisses that a new puppy brings comes the responsibility of providing good quality care for your newest member. Proper care during these growing months will help to ensure the future health of your pet. We have developed a Puppy Healthcare Package which we have put together to provide you with a more affordable price. This package includes all the vaccinations, routine diagnostic tests and educational consultations that we recommend to get your pet through it's first four months.
